Association Management Systems

# ABOUT US

**WE HELP ASSOCIATIONS IMPROVE  
TECHNOLOGY SOLUTIONS**

**AIT IS A CONSULTING FIRM** whose passion is maximizing our clients' business productivity and performance through innovative technology and exceptional customer service. The AIT team has worked with various association management systems, built several custom software solutions, including our own Learning Management System, and consulting with associations across the country.

We partner closely with each client every step of the way to ensure **ONGOING TOP NOTCH SUPPORT AND CUSTOMER SATISFACTION**. As a result, our team fully understands the unique needs of associations, and, more importantly, how to meet those needs effectively and efficiently.

## **100% CLIENT SATISFACTION**

We partner closely with each and every client to provide creative solutions that meet
